Seeing a Dentist is Important

Besides brushing twice a day, seeing a dentist twice a year can help keep your children's mouths healthy and teeth cavity-free.

Kids should see a dentist when their first tooth appears or no later than their first birthday.

When you call to make an appointment with your Primary Care Dentist, tell them you have **Delta Dental Smiles for Kids.**

To receive services, your children must see a Delta Dental Smiles dentist. You may switch to another Delta Dental Smiles dentist at any time. If you see a dentist who does not accept Delta Dental Smiles for Kids, you may have to pay for provided services.
